STATINTL

Dear Charlie:

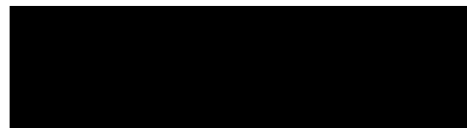

I am dropping a line to let you know how pleased I am that OSS can now make use of your services and thus indirectly contribute to JANIS. Inasmuch as JANIS and OSS are now operating on high priority requests you probably won't be able to take on requests for work which you receive directly yourself. I am sure, however, that OSS will welcome any suggestions you have and that your working relations will be most pleasant. I think it would be particularly desirable for you to examine all material which is available in Washington on areas you will work on in order to avoid duplications.

Please let me know when you are coming to Washington again and I will give you that long delayed lunch.

Sincerely,

STATINTL
